

WOMEN'S HISTORY MONTH

Building Wealth Together: A Community Fireside Chat

In honor of Women's History Month, Malcolm X College invites you to an inspiring fireside chat with women leaders whose expertise spans finance, technology, strategy, entrepreneurship, and community advocacy. Their diverse perspectives reflect the powerful role women continue to play in shaping economic opportunity and driving change.

Hosted in partnership with the NAACP Westside Chicago Branch, this intimate conversation will center on wealth building, financial literacy, and long-term economic empowerment. This event is designed to equip students and community members with practical tools, confidence, and knowledge to take charge of their financial futures.
